

Changelog

Litfass

Contents

v0.1.1	2
v0.1.0	2

v0.1.1

themes

basic theme

- added support for rounded box corners
- box corners now are rounded by default
- now by default the box panel background colors are calculated based on the box title background color

bug fixes

basic theme:

- fixed the bug where title boxes would not vertically scale if the content wrapped because of width restrictions.

v0.1.0

This was is the initial version of Litfass.
